WHAT YOU'LL NEED

- Construction paper/paper bag/cardstock
- Scissors and glue
- Purple/Green/Gold decorations (glitter, ribbons, paint, markers, etc.)
- Skewer or elastic bands

1

PRINT TEMPLATE

Print your chosen template and cut it out.

2

TRACE THE TEMPLATE

Trace the template onto construction paper/paper bag/cardstock and cut it out, remembering to remove the holes where your eyes go.

3

DECORATE

Using glue, decorate the mask with glitter, ribbons, colorful drawings and paintings, etc.

4

ATTACH STICK/ELASTIC

Use glue or tape to secure the skewer to the back of the mask. If using elastic bands, poke small holes on both ends of the mask and tie the elastic through to secure.
